## *History Behind Grace Family Ministries*

From our earliest days together, the Lord God gave Lori & I hearts for Biblical marriage & family life along with a passion for the generational impact of our lives.

Having served in pastoral ministry of churches from Denver, Dayton, D.C., & the Dells to the executive leadership of an intl. missions organization for the better part of 5 years, our eyes have been opened to the state of church & family life across this country & on the foreign mission field.

Family life is central to advancing the cause of Christ to the ends of the earth. Ministry literally begins on the grass roots level right at home.

Where will the next generation of pastors, missionaries, & Christian leaders come from if churches & families are not stronger than otherwise?

God's Spirit has ignited a zeal in our hearts to serve the church & family for such a time as this. Please pray for Grace Family Ministries to be used of God to the praise of His glory in Christ Jesus.

Consider  
This

“Christians should stop taking family life for granted, instead approaching it in a more thoughtful, disciplined way. We cannot simply live as all other families live, except that we go to church on Sunday. Holding the correct theological beliefs & having the right intentions will not be enough. Christian parents must be intentionally countercultural in their approach to family dynamics. The days of living like everybody else & hoping our children turn out for the best are over.”

*Rod Dreher, “Live Not by Lies”*

“Christian parents must view church as the highest & utmost priority for their family’s weekly schedule. [They] need to be serious about the effects of technology, screen time, & social media. [They] must endeavor to fill their homes with the fragrance of the gospel—family worship, family devotions, Scripture memorization, & quality family time will do more to promote the health of the next generation than we can imagine.”

*Al Mohler, “The Gathering Storm”*

“Think about it. This is the job of parents, for example. You are called by God to inspire worshipful awe in your children. You are to exercise your authority in such a way that it gives your children eyes to see the awesome presence, power, authority, & grace of God. When our children are blown away by the glory of God, they will be predisposed to reach out for His grace & submit to His will.”
